VERIFICATIONS BY THE BUREAU – ATTENDANCE

The Chairman reports on the observations and verifications made by the bureau during
and at the end of the participants’ registration formalities with respect to the constitution of the
meeting:

1. Notice convening shareholders to the meeting

Before the meeting opened, references of the notices convening the meeting published
in the Belgian Official Gazette and in the press were filed with the bureau. They will be
filed in the Company's archives together with the minutes of the meeting.
The bureau noted that said notices were published:

- on the seventeenth of March two thousand and seventeen in the Belgian Official Gazette;
- on the seventeenth of March two thousand and seventeen in De Tijd;
- on the seventeenth of March two thousand and seventeen in l’Echo.

The text of the notice convening the meeting, and the proxy forms, were made available to shareholders on the Company’s website (www.proximus.com) as from the seventeenth of March two thousand and seventeen. A communication was sent to Belga, Bloomberg, Reuters and Dow Jones in order to ensure international distribution.

The bureau also notes, while acknowledging the copy of the letters sent, that a notice convening the meeting has been sent by letter on the seventeenth of March two thousand and seventeen to the registered shareholders, the holders of registered bonds, the directors and the members of the Board of Auditors.

2. Verification of the powers of those participating in the meeting

Confirmations of attendance of the holders of dematerialized and registered shares, as well as proxies, were filed with the bureau for verification to ensure that the rules for participating in the meeting were complied with. The originals of these documents will be filed in the Company’s archives.

3. Attendance list

An attendance list was drawn up, containing the name and address, or the company name and registered office, of all shareholders present or represented at the meeting. It was signed by each of the shareholders and shareholder representatives attending the meeting. This list was complemented by a list of the shareholders who voted by letter in compliance with Article 39 of the bylaws.

The original list will remain appended to these minutes. The related proxies will be filed in the Company’s archives.

4. Verification of a quorum

The bureau notes on the basis of the attendance list that the shareholders present or represented at the meeting hold 247,961,731 shares, of a total of 338,025,135 shares issued by the Company. After the deduction of own shares, the number of shares with a voting right is 322,767,963.
