MIFID II PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ECPs ONLY

TARGET MARKET – The Joint Bookrunners, each acting as a manufacturer in respect of the Notes pursuant to Directive 2014/65/EU (as amended, “MiFID II”), have communicated the results of their product approval process to the Issuer. Solely for the purposes of such manufacturers’ product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in MiFID II and (ii) all channels for distribution of the Notes to such eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a “distributor”) should take into consideration the manufacturers’ target market assessment. However, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to, and should not be offered, sold or otherwise made available to, any retail investor in the European Economic Area (“EEA”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II or (ii) a customer within the meaning of Directive (EU) 2016/97 (as amended, the “Insurance Distribution Directive”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently, the Issuer has not prepared a key information document required by Regulation (EU) No 1286/2014 (as amended, the “PRIIPs Regulation”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

PROHIBITION OF SALES TO UK RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to, and should not be offered, sold or otherwise made available to, any retail investor in the United Kingdom (“UK”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (“EUWA”) or (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000 (the “FSMA 2000”) and any rules or regulations made under the FSMA 2000 to implement the Insurance Distribution Directive, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA. Consequently, the Issuer has not prepared a key information document required by the PRIIPs Regulation as it forms part of domestic law by virtue of the EUWA (the “UK PRIIPs Regulation”) for offering or selling the Notes or otherwise making them available to retail investors in the UK and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

PROHIBITION OF SALES TO CONSUMERS IN BELGIUM – The Notes are not intended to be offered, sold or otherwise made available, and should not be offered, sold or otherwise made available, in Belgium to “consumers” (“consumenten/consommateurs”) within the meaning of the Belgian Code of Economic Law (Wetboek van economisch recht/Code de droit économique), as amended.

2 RATINGS

Ratings:

The Notes to be issued are expected to be rated:

Moody’s Investors Service España, S.A. (Moody’s): A2

S&P Global Ratings Europe Limited (S&P): BBB+

Each of Moody’s and S&P is established in the European Union and is registered under the Regulation (EC) No. 1060/2009 (as amended, the CRA Regulation). As such, each of Moody’s and S&P is included in the list of credit rating agencies published by the European Securities and Markets Authority (ESMA) on its website (at https://www.esma.europa.eu/supervision/credit-rating-agencies/risk) in accordance with the CRA Regulation.

The ratings Moody’s and S&P have given to the Notes are endorsed by Moody’s Investors Service Ltd. and S&P Global Ratings UK Limited, respectively, which are established in the UK.

As defined by Moody’s, an ‘A’ rating means that the obligation is considered upper medium-grade and is subject to low credit risk. Moody’s appends numerical modifiers 1, 2, and 3 to each generic rating classification from Aa through Caa. The modifier 2 indicates a mid-range ranking of the obligation in its generic rating category.

As defined by S&P, an obligation rated ‘BBB’ exhibits adequate protection parameters. However, adverse economic conditions or changing circumstances are more likely to weaken the obligor’s capacity to meet its financial commitments on the obligation. The addition of a plus (+) or minus (-) sign shows the relative standing within the major rating categories.

Tranches of Notes issued under the Programme may be rated or unrated by either of the rating agencies referred to above.
A security rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.
