Get notified when PO changes occur

[Learn More](#)

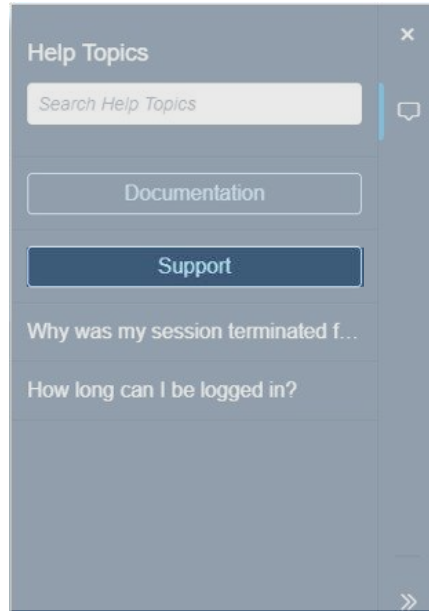

You can now enable email notifications when changes are made to existing purchase orders. To see how it's done, please read this [blog post](#).

2. Klik rechts bovenaan op Help “?”

The screenshot shows the SAP Business Network interface. At the top left, the SAP logo and 'Business Network' are visible. In the top right corner, a dark blue bar contains a white question mark icon inside a circle, which is pointed to by a white arrow. Below the header, the page is divided into two main sections. On the left, the 'Supplier Login' section features a 'User Name' input field, a 'Password' input field, a blue 'Login' button, and a link for 'Forgot Username or Password'. On the right, a promotional banner titled 'Get notified when PO changes occur' includes a photo of a woman at a computer, a 'Learn More' button, and text explaining that users can enable email notifications for purchase order changes. At the bottom of the page, there are four small blue dashes.

3. Klik op “Support”

5. “Forgot username” → “I am experiencing a different issue”

The screenshot shows a user interface for account recovery. At the top, there are four buttons: 'Register on Ariba Network' (with a person icon), 'Reset my password' (with a key icon), 'Forgot username' (with a question mark icon, highlighted with a white border), and 'Unsubscribe' (with an envelope icon). Below these buttons, the text reads: 'Choose from the options below to continue. To retrieve your username, reset your password, or unlock your account:'. A list of five steps follows, detailing the process from logging in to password confirmation. At the bottom, there are two buttons: 'I am not sure if my company already has an account' and 'I am experiencing a different issue' (highlighted with a white border).

Choose from the options below to continue.

To retrieve your username, reset your password, or unlock your account:

1. On the Supplier Login page, click either **Forgot Username** or **Password**.
2. Enter the email address that is registered to the account in the **Email Address** field and click **Submit**.
SAP Ariba sends an email notification that contains your username or instructions on how to reset your password to the email address you used to register your SAP Ariba account. If you didn't receive these instructions, [click here to troubleshoot](#).
3. Click the link in the Password Reset notification email.
4. Enter and confirm your new password.
5. Click **Submit**.
SAP Ariba displays a confirmation page, indicating that your password has been updated.
